Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Mar_13

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 35010000015 **Project Name:** ARRA Title I Schl Improvement **Project Category:** Education **Sub Class:** 155W0

Project Abstract: The American Recovery and Reinvestment Act (ARRA) included $3 B nationally for Title I School Improvement grants to states in Fall 2009. MT selected 4 school districts, giving priority to districts with the lowest-achieving schools that showed the greatest need for funds and the strongest commitment to enabling their schools to meet the goals under school and district improvement, corrective action and restructuring plans. The Office of Public Instruction is administering project activities directly on behalf of the subrecipients, rather than providing subgrants.

Project Abstract: The Legislature appropriated $1.2M per year of the biennium under HB 645 to support the level of state expenditures required under the Individuals With Disabilities Act (IDEA). The state must maintain a constant level of special education funding for K-12 education in order to maintain state eligibility for federal IDEA grant funds.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Mar_13

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5706000008 **Project Name:** Reclaim Orphan Wells Nor. MT **Project Category:** Water and Environment **Sub Class:** 540W7

Project Abstract: The purpose of this project is to provide funding to properly plug orphaned secondary enhanced water injection wells, old abandoned oil/gas wells, partially plugged cased wells, and unrestored plugged locations. This project would plug these orphaned wells and perform surface reclamation on sites in Northern Montana. The wells are not useful and are a blight on the landscape; some have the potential of causing damage and/or pollution to subsurface formations, the state's water, air, and the surface around each well

Project ID: 690100000000020 **Project Name:** Med Caseload & Prov Rates **Project Category:** Health and Human Services **Sub Class:** 892W2

Project Abstract: These funds are for the anticipated increase in Medicaid caseloads as a result of the economic downturn. The increased funds for Medicaid will be administered from a department-wide perspective to maintain the current level of services. Medicaid is a joint federal & state government program that pays for medical care for some low-income & medically needy people. The Department of Public Health & Human Services (DPHHS) runs the Medicaid program in Montana. Medicaid's mission is to assure that necessary medical care is available to all eligible Montanans within available funding resources.

Project ID: 690100000000005 **Project Name:** Supp Nutrition Asst Program **Project Category:** Health and Human Services **Sub Class:** 855WF

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Public Health and Human Services

Report Period Mar_13

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: Sweet Grass County will manage a study designed to conserve cropland pasture and wildlife habitat along the Yellowstone River near the town of Greycliff. The study will gather enough information and public support for permit applications to implement the project in 2010. Specific tasks for this project are - compile existing data, host public meetings, design a project that will significantly reduce or eliminate erosion for flow rates up to the 100-year flood stage; and begin the permit process using the compiled data and public comment.

Project ID: 350100000012 **Project Name:** ARRA Title I Part A **Project Category:** Education **Sub Class:** 160W2

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Report Period Mar_13

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5706000028 **Project Name:** Dutton WW System **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: In 2007, the town of Dutton completed a wastewater engineering evaluation that recommended capital improvements. The project is to construct a new pump station, new facultative lagoons for wastewater treatment with spray irrigation disposal, and storage of wastewater during the nonirrigation season. The treated wastewater will be beneficially reused for spray irrigation of adjacent cropland. The existing primary lagoon will be rehabilitated to meet current standards.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 5706000010 **Project Name:** Shelby Refinery Reclamation **Project Category:** Water and Environment **Sub Class:** 540W7

Project Abstract: This project will cleanup petroleum-contaminated soil at the abandoned Shelby Refinery in Toole County, in the corporate city limits of Shelby. The Petroleum Refining Company was built in 1940 to refine crude oil from the nearby Kevin-Sunburst oil field northwest of Shelby. Environmental samples from the site reveal elevated concentrations of petroleum hydrocarbons in soil at an average thickness of 7.5 feet. The affected area covers approximately 30,000 square feet. Total estimated volume of contaminated soils is 8,333 cubic yards.

Project ID: 5706000048 **Project Name:** Shelby WW System **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Shelby's wastewater collection system is aged. About 47% of the system consists of vitrified clay pipe installed between 50 and 90 years ago. Flow monitoring in March 2008 indicated that 240,000 gallons per day of the current wastewater flow can be attributed to groundwater inflow to the trunk main sewer. Shelby will replace 7,565 feet VCP pipe with pvc and rehabilitate existing VCP pipe with Cured in Place Pipe

Project ID: 690100000000030 **Project Name:** Food for Food Banks **Project Category:** Health and Human Services **Sub Class:** 855W2

Project Abstract: These funds will be used to support the needs of food banks throughout the state and could potentially purchase 300,000 to 500,000 pounds of food. Food pantries throughout Montana have experienced increased demands by the growing numbers of low income families needing food bank assistance. This funding is intended to purchase additional food items to meet the need to have food on the pantry shelves for those that need it.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Project Abstract: The American Recovery and Reinvestment Act (ARRA) included $3 B nationally for Title I School Improvement grants to states in Fall 2009. MT selected 4 school districts, giving priority to districts with the lowest-achieving schools that showed the greatest need for funds and the strongest commitment to enabling their schools to meet the goals under school and district improvement, corrective action and restructuring plans. The Office of Public Instruction is administering project activities directly on behalf of the subrecipients, rather than providing subgrants.

Project ID: 5706000036 **Project Name:** Judith Gap Wtr and WW System **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: This project includes improvements to both the water and sewer systems of Judith Gap, a community of about 145 people in central Montana. This project is in response to a DOT requirement that all water and sewer mains be upgraded to a minimum 20-year operating lifespan before reconstruction of highway through a community. The highway project is scheduled for 2010; all water and sewer improvements within the highway right-of-way must be accomplished before this date. The project includes replacement of water and sewer mains in the highway right-of-way through Judith Gap.

Project ID: 5706000027 **Project Name:** Nevada Creek Canal **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Nevada Creek Dam is a high-hazard, state-owned dam in Powell County east of Helmville, MT. Constructed in 1938, the dam has undergone recent upgrades and improvements and is structurally sound. The dam is 105 feet high and 1,083 feet long. At normal full pool, the reservoir storage is 11,152 acre-feet. The dam has two associated canals, the North Canal and the Douglas Canal. The delivery canals are in poor condition. This project includes canal lining and the construction of two drop structures.

Project ID: 5706000023 **Project Name:** Ruby Dam Rehab **Project Category:** Water and Environment **Sub Class:** 540W6

Project Abstract: Ruby Dam is on the Ruby River about six miles south of Alder, in Madison County. The dam and system of conveyance canals associated with it are owned by the DNRC and operated and maintained by the Ruby River Water Users. Increased storage is required to offset the effects of sedimentation that have taken place since the dam was constructed. This project will replace the concrete spillway, raising the spillway crest seven feet. This project would increase the storage capacity of Ruby Reservoir from 41,450 acre-feet to 45,155 acre-feet, an increase of 8.9%.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project ID: 690100000000008 **Project Name:** Weatherization **Project Category:** Energy and Weatherization **Sub Class:** 855WW

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 690100000000021 **Project Name:** IV-E Foster Care Reimb **Project Category:** Health and Human Services **Sub Class:** 860W5

Project Abstract: The Child and Family Services Division is mandated by both state and federal laws to provide protective services to children who are abused, neglected, or abandoned. This includes receiving and investigating reports of child abuse and neglect and helping families stay together or reunite, and finding placements in foster or kinship homes. ARRA funding will result in a higher federal contribution for these services.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.

Project ID: 350100000012 **Project Name:** ARRA Title I Part A **Project Category:** Education **Sub Class:** 160W2

Project Abstract: The American Recovery and Reinvestment Act of 2009 (ARRA) provides $10 B nationally in additional FY 2009 Title I, Pt A funds for schools that have high concentrations of students from families that live in poverty in order to help improve teaching and learning for students most at risk of failing to meet state academic achievement standards. The funds create an unprecedented opportunity for educators to implement innovative strategies in Title I schools that improve education for at-risk students and close achievement gaps while stimulating the economy. Montana's allocation $34.65 M.

Project Abstract: The ARRA provides a one time appropriation of $100 million nationally for equipment assistance to school food authorities (SFAs) participating in the National School Lunch Program (NSLP). Competitive awards are intended to help SFAs purchase, renovate, or replace equipment used in the National School Lunch Program. As required by the program, priority was given for SFAs having at least 50% of students eligible for free or reduced-priced meals. Montana's allocation is $225,000.

Public Health and Human Services

Report Period Mar_13

Project ID: 690100000000013 **Project Name:** Aging Services Program **Project Category:** Health and Human Services **Sub Class:** 895W1

Project Abstract: Aging Services provides meal assistance. Meals on Wheels provides homebound seniors and adults with disabilities a hot lunch to meet their nutritional needs. The meal is delivered to their home through the Area Agencies on Aging and your local Senior Center. Meals are prepared under direction of a registered dietician. Special diets, such as diabetic, low salt and individual preferences, are usually accommodated.

Project Abstract: These funds will be used by local communities to support employment, food, housing and healthcare efforts. CSBG funds are utilized by the state's ten (10) Human Resource Development Councils (HRDCs) to provide projects and services in local communities including: child care, education and job training, provision of food, weatherization and energy assistance, and resource and referral services. The program assists approximately 35,000 households annually. ARRA funding will allow the HRDC network to expand existing activities and provide services for up to 15,000 additional households.

Project Abstract: These funds will increase SNAP benefits 13.6 percent and provides funding for administrative costs. SNAP benefits provide eligible households an opportunity to obtain a more nutritious diet by supplementing their food budget. Additional benefits start at $24 and increase depending upon the number of individuals in the household. There is also a rule change for individuals in the Able-bodied Adults Without Children category that removes the time limited benefit policy. The additional administrative funding is considered one-time-only.

Project Abstract: These funds will provide grants for local HRDC's. The Weatherization Program's mission is to increase the energy efficiency of homes occupied by low-income individuals, thereby reducing their energy costs. The program has reduced the annual heating costs of recipient households by an average of approximately 32%. It serves approx 2,000 high energy burden households each year. ARRA funding will allow the Weatherization Program to serve at least 2,500 more families & to double the average labor & materials expenditure per dwelling for cost-effective energy conservation measures.
